Troop 226 Patrol Dry Goods Inventory

Add leftover dry goods items to the blanks and mark out items on the list that have been used up. Note what items are low, such a foil, oil, etc.

Mark quantities of items of items if more than one

Make sure any open items do not require refrigeration and are tightly secured so they do not leak, especially cooking oil.

Suggested items to keep on hand:

- Basic spices (salt/pepper, etc)
- Aluminum foil
- Cooking oil
- Paper towels
- Cooking spray
- Hand Sanitizer

The patrol grubmaster should check the inventory before shopping before each campout and then fill out a new form after each campout.

This form is available on the Troop website and is a fillable PDF that can be printed
