## **Troop 226 Dry Goods Inventory**

The Colony, Texas Troop 226	Add leftover dry goods items to the blanks and
	mark out items on the list that have been used up.  Note what items are low, such a foil, oil, etc.
	Mark quantities of items of items if more than one
	Note the category of these dry goods at the top, if applicable (such as Dutch oven dessert supplies, plastics, cracker barrel, etc)
	Make sure any open items do not require refrigeration and are tightly secured so they do not leak, especially cooking oil.
	The grubmaster should check the inventory before shopping before each campout and then fill out a new form after each campout, if applicable
	This form is available on the Troop website and is a fillable PDF that can be printed
